

Clinical Programs

RUSH Physical Therapy and RUSH Kids Pediatric Therapy

Rush University System for Health and Select Medical have joined forces in an exciting partnership. Outpatient rehabilitation services at Rush have merged with NovaCare Rehabilitation, Select Physical Therapy, Michiana Orthopaedic & Sports Physical Therapy and NovaCare Kids Pediatric Therapy, part of the Select Medical family of brands, to become RUSH Physical Therapy and RUSH Kids Pediatric Therapy, respectively.

We will change our name, but not our passion. Our physician-to-therapist communication will remain strong, as the overall goal is to ensure patients receive the best care.

What this means for our valued referring health care providers and patients:

This partnership brings together two renowned and community-focused health care organizations.

- In the outpatient rehabilitation space, this partnership will increase the network of locations throughout Chicagoland and northern Indiana – totaling 64 centers – creating even more convenience.
- Expanding the clinical programs and expertise we provide to patients.
 - o Speech therapy
 - o Pelvic floor
 - o Pediatric therapy, including ABA
 - o Lymphedema therapy
 - o TMJ therapy
 - o Chronic pain program
 - o ReVital™ Cancer Rehabilitation
 - o WorkStrategies® Program
 - o Sports medicine services

Services vary by location.

Medicaid is seen only at the Professional Building location in Suite 440.

For health care providers:

- If you're a referring health care provider and use Epic to refer patients, please search for "therapy" or "rehab."
- For providers who do not use Epic, please use the new convenient centralized scheduling office which can be used to contact all 64 locations:
 - o Phone: (833) 713-1872
 - o Email: rushreferrals@rushpt.com
 - o RightFax: (855) 674-2612

We are excited to welcome patients to our centers and to begin this new chapter in our organization's history. Please join me in welcoming our new colleagues and patients.
